Thank you to our sponsors:

VS America!

VS America is a leading manufacturer and innovator, providing flexible and dynamic furniture solutions for “student centered” learning environments. Research shows clearly, that the educational space matters. We simply follow that research, and pay close attention to how students learn so we can help educators create the most effective learning spaces possible.
Student success is everything!

NWEA

NWEA is a research-based, not-for-profit organization that supports students and educators worldwide by creating assessment solutions that precisely measure growth and proficiency—and provide insights to help tailor instruction. For 40 years, NWEA has developed Pre-K–12 assessments and professional learning offerings to help advance all students along their optimal learning paths.
