THE LUTHERAN CHURCH — MISSOURI SYNOD

## Missouri District Mission Grant Instructions

*For Award Period: July 2022 – June 2023*

**Introduction:** The Missouri District partners with LCMS congregations undertaking mission initiatives which intentionally focus on engaging their communities and/or provide support for families with a next generation focus. Four criteria are at the intersection of a District mission grant and an applicant.

- 1) **Community Engagement:** An intentional Gospel focus on building external relationships in the community with unchurched people.
- 2) **Discipleship:** Identifying, equipping, and mobilizing people who demonstrate ownership of the vision and live as faithful witnesses of Christ in the ministry focus.
- 3) **Partnership and Sustainability:** Stewarding God's gifts by working collaboratively. These relationships may include LCMS churches, church workers, lay leaders, mission societies, RSOs, foundations, and community organizations to achieve sustainable outcomes.
- 4) **Mutual Accountability:** Grant proposals identify specific strategies and goals that are communicated, reviewed, and supported with prayer at regular intervals between the Missouri District and the mission.

### Application Timeline:

- **Notice of Intent: Deadline: February 21, 2022**  
Ministries send an email to Bill Geis ([bill.geis@mo.lcms.org](mailto:bill.geis@mo.lcms.org)) indicating their intent to apply for a mission grant with a paragraph description of their ministry. This should happen very early in the process from an appropriate contact person. This is the starting point for the collaborative work between the District and the congregation/organization in the grant process.
- **Submit Proposal: Deadline: March 21, 2022**  
The grant proposal and documentation (see checklist on next page) is submitted to Bill Geis ([bill.geis@mo.lcms.org](mailto:bill.geis@mo.lcms.org)). The proposal documents must be submitted digitally. It is highly encouraged to discuss and refine draft proposals with Bill Geis in the weeks prior to the deadline to prepare a strong mission application.
- **Site Review Period/Zoom meeting with ministry leaders: Deadline: May 2, 2022**  
All grant requests in excess of \$5000 will require a visit and review with ministry leaders involved in the mission. Beginning with the notice of intent, Bill Geis will work with your ministry in scheduling phone consultations and the site visit. Grants of lesser amounts will also have a review process and may include a site visit.

**Congregational Endorsement:** Where a grant applicant is not a LCMS congregation, a letter of endorsement from an LCMS congregation should be included with the grant. Ideally, the congregation should be a stakeholder that has invested or volunteered people, money, or other resources in the ministry.
