

2023 Missouri District Professional Church Workers' Conference Presenter Form

The Professional Church Workers Conference committee is planning for the 2023 conference to be held October 10-13 at Margaritaville Lake Resort in Osage Beach, Missouri.

This year's theme is "A Reason for Our Hope" (1 Peter 3:15). This conference will focus on confessing the hope we have in Christ to a world that often is hostile to our message. It will address the art of speaking the truth in love about difficult topics. The conference will be a time of refreshment and encouragement of that hope in Christ for our church workers as they live this out each day.

Complete this form and email to sue.thompson@mo.lcms.org no later than July 1, 2023
