

Calvary, Kansas City Academic Interventionist and Guidance Counselor

Calvary Lutheran School is currently seeking a versatile Academic Interventionist & Counselor to join our team at Calvary Lutheran School. In this multifaceted role, you will provide targeted academic support and social/emotional guidance to students, ensuring their overall success and well-being. We are a welcoming, non-profit organization located in Kansas City, MO. Our close-knit community is known for its professionalism, social engagement, and unwavering support for one another. We offer a modern office setting with a casual work attire policy, creating a flexible and relaxed work environment.

Work Environment Includes:

- Modern office setting
- Casual work attire
- Relaxed atmosphere
- Company perks
- Safe work environment
- Lively atmosphere

Position Overview:

- Collaborates with teachers, parents, and administrators to identify students who require academic intervention
- Develop customized intervention plans based on individual student needs, implementing research-based strategies and monitoring progress closely
- Providing individual and small group instruction, assessing student progress, and modifying interventions as necessary
- Collect and analyze data to measure intervention effectiveness and collaborate with teachers on differentiated instruction strategies
- Provide social/emotional support to students, conduct individual and group social/emotional lessons, and address students' social and emotional needs as they arise
- Collaborate with teachers and parents to develop strategies for student success, facilitate workshops on various topics, and assist students in developing academic and personal goals
- Facilitate workshops and presentations on various topics such as study skills, stress management, emotional regulation

Knowledge, Skills, & Abilities:

- Bachelor's degree in Education, Counseling, Psychology, State certification or licensure in school counseling
- Previous experience working in an educational setting
- Strong knowledge of instructional best practices and intervention strategies
- Knowledge of educational systems and child development
- Ability to maintain confidentiality and adhere to ethical guidelines

Keywords: Psychology, Psychiatry, Counseling, Social Work, Educational Intervention, Social/Emotional strategies, Emotional Regulation, Child Development, CDA, Workshop Development, Analysis, K-8, Elementary Education, Guidance Counseling

Note: This job description is not intended to be all-inclusive. The employee may perform other related duties as negotiated to meet the organization's ongoing needs.

Job Type: Part-Time

Benefits: We highly value our employees and offer a comprehensive benefits package, including:

- Ten paid holidays per year.
- Generous paid time off program.
- Fully paid retirement, life, and disability plan (20 hours +).
