314-822-7774

Position Overview

Christ Community Lutheran School is seeking a full-time Support Teacher for 3rd Grade to join our dedicated faculty and advance our mission of excellence in Christ-centered education. This faculty-level position partners closely with two lead 3rd Grade Teachers to strengthen student learning through targeted support, classroom collaboration, and practical instructional assistance.

This role is ideal for an experienced educator who enjoys team-based teaching without the full scope of homeroom teacher responsibilities.

Primary Responsibilities

The 3rd Grade Support Teacher will work as an integral member of the instructional team and will be responsible for:

- Providing additional academic support and interventions for students in small groups, in coordination with lead teachers
- Supervising students during lunch and recess
- Assisting with simple grading and other instructional tasks as assigned
- Supporting a positive, structured, and mission-aligned classroom environment
- Collaborating regularly with lead teachers to ensure consistent instructional support
- Participate in staff meetings and professional learning
- Potentially lead the teaching of a designated subject
- Participate in an extracurricular activity annually

Qualifications

- Valid teaching certification required
- Demonstrated classroom management experience
- Clear alignment with the CCLS mission, code of conduct, and statement of faith
- Membership in a Lutheran church congregation preferred
- Lutheran teacher diploma ideal, but not required
- Rostered candidates will be issued a divine Call

Compensation & Benefits

- Faculty-level position with full-time salary and benefits
- Salary aligned with base teacher salary on Missouri District compensation guidelines
- Traditional academic calendar, including summers off
-

Why Consider This Role?

This position offers a meaningful opportunity for an experienced teacher who wishes to remain actively involved in student learning and Christian education while stepping back from full lead-teacher responsibilities such as lesson planning and parent conferences. You will continue to use your professional gifts, support the school's mission, and make a lasting impact on students—within a collaborative and supportive teaching environment.
