WORK ANNIVERSARIES

CELEBRATING OUR CALLED WORKERS

2026

Missouri District

THE LUTHERAN CHURCH — MISSOURI SYNOD

Dear partners in the Gospel,

In 1839, a group of immigrants from Saxony arrived in Missouri, beginning their new lives in St. Louis and in Perry County. They established congregations and a log cabin schoolhouse for children ages 5–14. From those early days, before the Synod was even formed, a long legacy began: a legacy of faithful servants of the pure Gospel of Jesus Christ. That's 187 years of pastors, teachers, and servants laboring for the sake of Christ's kingdom. We are truly blessed by God with a great heritage of church workers within The Lutheran Church—Missouri Synod (LCMS).

While there remains a pressing need for the next generation of servants in our churches and schools, it is also good for us to take time and give thanks to God for all who have served Christ faithfully over the years and reached important milestones in their service. On behalf of the congregations and schools of the Missouri District, I thank you for your service and pray that God will continue to bless all of the ways you serve God and grow as His beloved child.

You are indeed part of the great cloud of witnesses within our Synod, servants of the Savior, called to labor in His harvest fields! We are encouraged and blessed by your example! To God be the glory!

In His Service,

President Rev. Dr. R. Lee Hagan

The following are names of full-time professional church workers in Missouri District congregations and schools. The anniversaries recognize the total years of service in LCMS entities between Sept. 1, 2025, and Aug. 31, 2026, as reported to the Missouri District office by churches and schools. We are deeply grateful to our churches and schools for their ongoing dedication and faithful service. Thank you for all the work you do in Christ's name!
